And

“(Name of Industry) SAI FIRE APPLIANCES PVT. LTD, located at B-21, Sector-10, Noida, G.B. Nagar through Mr. Anil Sharma (Chairperson name) and Sector ELECTRICAL.

#### C. Background and Purpose—

Govt. I.T.I is providing skill training to the students to improve the training there should be industries linkage. Training courses has been designed to impart basic skills and knowledge of trades so as to prepare trainees for employment as semi skilled worker or for self employment. There is some difference between this industry need and skill training. So to cope up this difference we are doing this MoU

This MoU will also help industry to give refresher course of their employees in Govt. I.T.I

#### D. Responsibilities of 1st Party.

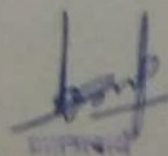

1. Govt. I.T.I is responsible to provide refresher courses of short duration to 2<sup>nd</sup> party employees. The Remuneration will be on mutual understanding.
2. 1st Party will do Job work as per requirement of 2<sup>nd</sup> party. It will be paid work.
3. 1st Party can call experts of industry to give expert advices to students.

#### Responsibilities of 2<sup>nd</sup> Party

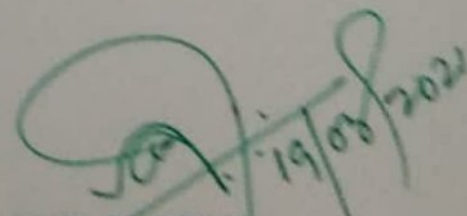

1. 2nd Party Will allow I.T.I students for industrial visit every three months.
2. 2<sup>nd</sup> Party will allow I.T.I Students for one month on job training to students of relevant trade as students will be selected by 2<sup>nd</sup> Party
3. 2nd Party Can send their employees to I.T.I for short term refresher course on paid basic syllabus of refresher course will be designed by both parties.
5. 2nd Party will help students of I.T.I in employment
6. 2nd Party will submit attendance of students of on job training.
7. If any students who are doing on job training does not follow factory rules then 2nd party is free to cancel his on job training

#### E. Tenure & Termination

This MoU will be valid upto three years.
